# AGENDA

## 27 MAY | PARALLEL SESSIONS

14.00 - 17.30

### Working Towards Synergies: Your Results in Action

Join thematic workshops and networking sessions where transnational and cross-border project holders pitch and explore outputs and results with a potential to drive greater impact. This session will provide the first spark for developing new applications for the strategic call for capitalisation opening in autumn 2025.

Strengthening Innovation Capacities

Developing Smart Skills

Supporting Climate-Neutral Energy Transition

Increasing Climate Change Resilience

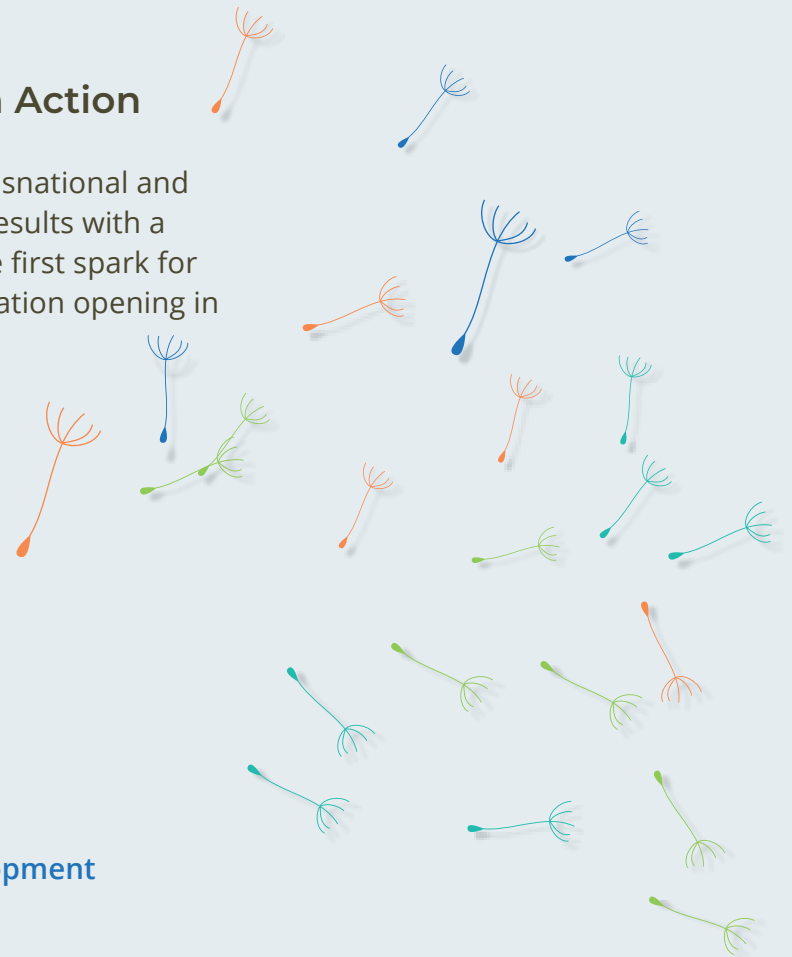

Taking Circular Economy Forward

Safeguarding the Environment

Greening Urban Mobility

Improving Rural and Peripheral Transport

Strengthening Governance for Integrated Territorial Development

14.00 - 17.30

### Cooperation in Action: Building Impact Through Capitalisation

In this workshop, programme authorities, national and regional policy makers can explore how to move beyond showcasing results and start embedding them into lasting change. Through practical examples and peer exchange, the session will highlight how cooperation fuels synergies – and how programmes can shape, steer, and scale impact across regions. It will offer an inspiration for embedding capitalisation more strategically into programme design and delivery. The session will be hosted by Interact.
