

HOW TO INCREASE THE AVAILABILITY OF DIGITAL THERAPEUTICS IN THE CZECH HEALTHCARE SYSTEM AND INSURANCE?

DIGIVITALITY WORKSHOP, OCTOBER 02, 2025, PRAGUE

AGENDA

Venue: [WorkLounge Diamant, Václavské nám. 1/841/3, 110 00 Nové Město](https://www.worklounge-diamant.cz/)

13:00 - 13:15 Arrival of participants

13:15 - 13:30 Welcome and introduction to the DIGIVITALITY project

13:30 - 13:50 Presentation of experiences from abroad - DiGA, PECAN, mHealth
(in English, EIT Health)

An opportunity to look into foreign digital therapeutics systems, gain inspiration from successful examples of practice, and learn from the challenges that this model has brought.

13:50 - 14:10 Questions and discussion about DiGA

14:10 - 14:30 Coffee break

14:30 - 15:20 **Round table:** the current situation in the Czech Republic and ways to improve the availability of digital therapeutics - presentation and group discussion on experiences, opportunities, and practical steps that can move the Czech system forward.

15:20 - 16:00 Open space for questions, sharing, and a brief summary

Note: The agenda is preliminary and subject to further refinement.
