

TRANSNATIONAL STRATEGY

CE-PRINCE

to accelerate Circular/Green Public Procurement

CIRCULAR ECONOMY

Powered by Green Public Procurement to achieve:

- Standard rules
- Stronger enterprises
- Sustainable public spending

CHALLENGES

- Public-private misalignment
- Limited knowledge & capacity
- Complex and rigid procurement procedures
- Lack of common standards
- Financial constraints

Regional reach

OBJECTIVES

- Strengthen skills in circularity
- Align tenders across regions
- Foster cross-border cooperation
- Standardise C/GPP criteria & tools
- Scale up C/GPP practices across Central Europe
